MESSAGE

I am happy to present Bhagat Phool Singh Mahila Vishwavidyalaya's (BPSMV) Annual Report for the year 2018-19. Since I have been a witness to various activities listed in the current issue of Annual Report, sharing the same with the esteemed members of the University Court renders me satisfied and happy.

Owing to its genesis to Gurukul traditions, BPSMV has been enabling holistic development of students studying here. Besides fostering academic merits, we provide opportunities to evolve as good citizens with high moral character. The unique blend of tradition and modernity is reflected through various programmes offered by the university through its teaching departments, constituent colleges, Affiliated Colleges (05), Institutions and Centers of Excellence like Centre for Society University Interface and Research (CSUIR), Centre for Indic-Asian Studies (CIAS), Learning Resource Centre (LRC) and Human resource development centre. BPSMV's recognition at international level has been well received due to its active MOUs with international agencies like United Nations' Development Programme (UNDP), Institute of Company Secretaries of India (ICSI) and St. Catherine University, USA. Through these MOUs both the students and staff get opportunities to enrich their knowledge of the latest developments in the concerned domains.

Besides the conventional academic activities, the university has been constantly furthering the national initiatives of social change like *Beti Bachao Beti Padhao*, *Rashtriya Swachhata Abhiyan*, National Unity Day etc. We have been invited by the Union ministry of HRD to join **Unnat Bharat Abhiyan** for furthering the activities of social growth and entrepreneurship. The **National Resource Centre (NRC) for Philosophy** has also been established at BPSMV by the UGC. In order to provide world class infrastructure, various construction projects like Students' Activity Centre, University Library, and Sports Complex have been expedited and are near completion. The construction of Students' Activity Centre has been completed. BPSMV has been fortunate to receive unstinted financial and administrative support of both State and Union Government. I thank the Hon'ble Chancellor and Governor of Haryana Shri Satyadev Narayan Arya and Honourable Chief Minister of Haryana Sh. Manohar Lal ji for their constant support and guidance to the University.

The achievements and milestones achieved by BPSMV in the last year would not have been possible in the absence of hard work done by the staff of this University. I take this opportunity to appreciate and thank each member of the University. I look forward to a greater commitment and sense of responsibility from all members of BPSMV family.

Message

Annual Report of an institution is a chronicle of its activities and achievements during the year under reference. It is a time for stock taking and to see what milestones have been achieved in the journey towards the goals and how much distance has been traversed in catching up with the spirit of the 'Mission' of the organization. The Annual Report of Bhagat Phool Singh Mahila Vishwavidyalaya for the year 2018-19 reflects the abiding commitment of Haryana Government for achieving excellence in education and especially in girls' education. We have a sense of satisfaction and legitimate pride in presenting our endeavours for inspiring excellence in teaching and learning, in research and in engagement with the society.

The annual report systematically lists all the accomplishments of the University from infrastructural development, strengthening of labs, and other teaching aids, development of students' amenities, nurturing the talent and development of personality of the students, participation and organizing the national and international seminars, conferences, workshops and lectures, excelling achievements of the students in academics, sports, cultural activities, NSS and other co-curricular activities, international collaborations and to many others.

Our achievements are due to the invaluable contribution and guidance of the learned Members of the University Court, Executive Council, Finance Committee, Academic Council and the Hon'ble Vice Chancellor of the University.

All the members of the faculty and employees of the University have put in their best to create a niche for BPSMV in the field of higher education. Our students always measure up to the expectations and carry the standard of the University flying high and bring in laurels to the University.

We have been fortunate to receive immense support and guidance from His Excellency, Chancellor and Governor of Haryana Shri Satyadev Narayan Arya and Honorable Chief Minister of Haryana Sh. Manohar Lal ji.

On the personal note, I feel proud to be in the service of this unique institution. I congratulate each one of the students, teaching faculties and administrative staff on the accomplishments made by them.

THE UNIVERSITY

Brief Introduction

Today's Bhagat Phool Singh Mahila Vishwavidyalaya is the 'dream come true' of Bhagat Phool Singh Ji (1885-1942) who established a *Gurukul* for girls at Khanpur Kalan in 1936. After the demise of Bhagat Phool Singh his daughter Subhashini not only took control of *Gurukul* but worked vigorously in expanding the *Gurukul* in terms of its various constituent institutions like BPS Memorial Girls' College (1967), BPS College of Education (1968), MSM Ayurvedic College (1973), BPS Mahila Polytechnic (1984), TIG Bhainswal Kalan(1999) and PSD Girls' Law College (2003).

The State Government upgraded the erstwhile *Gurukul* to the status of a University exclusively for women in August 2006 and christened it as Bhagat Phool Singh Mahila Vishwavidyalaya, which happens to be the first State Women University of North India. Since then BPSMV has undergone a complete transformation; the Gurukul started with only three girls has turned into a modern university with approximately 6500 girls on its rolls studying in various job oriented programmes from KG to PhD level. The university has established its two regional centres at Kharal (Jind) and Lula Ahir (Rewari).

Special Centres

Centre for Indic-Asian Studies (CIAS): BPSMV is the first and only university in Haryana to be awarded prestigious Area Study Centre on Indic Asian Studies of UGC which carry out research on issues related to Indo-Asian knowledge systems. CIAS has operationalized its dedicated participative website www.sthaneshwaranidh.ac.in which contains information on various themes pertaining to Indo-Asian culture and traditions.

Centre for Society University Interface and Research (CSUIR): It was established in August 2010 with an aim to bridge the disconnection between University and society. It organizes courses and activities which are of direct relevance to the rural community and to formulate schemes that recover traditional good agricultural practices and sustain and conserve the vast knowledge reservoir of rural women. The Centre offers innovative courses in three core areas viz. Integrated Energy Resource Management, Microfinance Practices and Folk Medicine.

Human Resource Development Centre (formerly Academic Staff College): HRDC at BPSMV offers faculty development programmes to in-service college and university teachers and administrators. It organized refresher courses, orientation courses and workshops during the last year.

Learning Resource Centre (LRC): The Learning Resource Centre has six state-of-the-art Language Labs, equipped with latest technological software which helps in effective learning of language skills which are compulsory to learn for all the enrolled students. LRC also imparts training & guidance for appearing in International English proficiency examinations like Business English Certificate (BEC). The LRC is also the research centre for American interns from St. Catherine University from USA to complete their internship programme.

Staff Training and Research Institute for Teaching of English (STRITE): STRITE has been established as an autonomous Institute of BPSMV for imparting training in effective teaching of English & operation of language laboratory to school & college teachers.

University Placement and Counseling Cell (UPACC): It provides free placement and counseling guidance to all the students.

University Centre for Judicial Services (UCJS): It has been established in the University for imparting coaching and guidance for entering into judicial services.

Women's Studies Centre (WSC):

Bhagat Phool Singh Mahila Vishwavidyalaya has always been committed towards women empowerment through education, but there was no centre for the specific research on women's studies yet. Realizing this, the authorities announced to set up Women's Studies Centre in a function held on the theme 'Beti Bachao Beti Padhao' on Nov 20, 2017. The Centre will undertake, promote and coordinate extensive collaborative research on fundamental and applied issues related to women and development.

Central Library: The Central Library has a stock of approximately 110000 books. It has approximately 7000 users and subscribes to 55 National and International Journals, 100 Magazines & Periodicals and 22 Newspapers (Hindi & English). The library provides access to JSTOR, OXFORD UNIVERSITY PRESS, WILEY INDIA, SPRINGER LINK, TAYLOR AND FRANCIS, JCCC, HEIN ONLINE, WEST LAWS, and MANUPATRA through UGC INFONET Digital Libraries Consortium. The university has the membership of Developing Library Network (DELNET), Delhi. The central library organized a workshop on Institutional Repository (IR) scheme.

International MOUs: BPSMV has signed MOUs with UNDP, ICSI, Kwangwoon University, South Korea and St. Catherine University, USA.
